

TOP 10 REASONS TO KEEP PLANNED PARENTHOOD OUT OF YOUR LOCAL SCHOOL

#10

THEY PROMOTE PROMISCUITY.

Despite the fact that promiscuity is risky sexual behavior, Planned Parenthood advised teens through its social media that: *"There's nothing bad or unhealthy about having a big number of sexual partners."*

#9

THEY FAIL TO REDUCE STDs.

The CDC reports STDs are at an all time high--an "epidemic." When left untreated STDs can lead to infertility, cancer, and even death.. But don't worry, taxpayer-funded Planned Parenthood says STDs are "NBD"- No Big Deal.

#8

THEY PROMOTE BDSM.

Teen sexual behavior is already risky enough, but Planned Parenthood promotes Bondage, Discipline, Sadism, & Masochism to teens! Their online tutorial encourages teens to experiment with this sexual violence and that 'no' doesn't really mean 'no'.

#7

THEY DON'T TRUST PARENTS.

Planned Parenthood has fought against every parental consent and notification bill, claiming "...*they put teens at risk for abuse at the hands of their parents.*" Their annual report doesn't mention 'mother', 'father', 'mom', or 'dad'.

#6

THEY FAIL TO REPORT RAPE.

In numerous states, Planned Parenthood has chosen to protect sexual predators instead of the victims as detailed in court cases. Live Action reports these abuses in their alarming docu-series LiveAction.org/aidingabusers.

#5

THEY DENY BASIC SCIENCE.

Planned Parenthood's former prez, Cecile Richards, claimed we don't know when a human becomes a human. "An individual human life begins at conception," explains Dr. Micheline Mathews-Roth (Harvard Medical School).

#4

THEY FAIL MINORITIES.

In NYC, home of Planned Parenthood, **more black babies have been aborted than born alive** for years. NYC has highest minority abortion rate in the U.S. and highest rates of STDs yet the most liberal access to contraception in America.

#3

THEY ARE MORE POLITICAL THAN MEDICAL.

Former PPFA Prez Cecile Richards declared in the NY Times: *"We aim to be the largest kick butt political organization."* In 2022, Planned Parenthood will spend \$50 million to elect *pro-abortion Democrats* only.

#2

THEY PROMOTE CHILD ABUSE.

Planned Parenthood is a leading supplier of dangerous carcinogenic "puberty blockers". They push transgenderism & body mutilation on kids with zero counseling. They tell children: "Your genitals don't make you a boy or a girl."

#1 THEY KILL HUMAN BEINGS.

Former Planned Parenthood President, Faye Wattleton, admitted: *"I think we have deluded ourselves into believing that people don't know that abortion is killing. So any pretense that abortion is not killing is a signal of our ambivalence, a signal that we cannot say yes, it kills a fetus..."*
