

TOP 10 REASONS TO KEEP PLANNED PARENTHOOD OUT OF YOUR LOCAL SCHOOL

#10

THEY PUSH JUNK SCIENCE.

Planned Parenthood lies to youth about basic reproductive biology, proclaiming: *"Your genitals don't make you a boy or a girl."* The abortion giant also boasts it is *"the second largest distributor of hormone therapy in America."*

#9

THEY PROMOTE PROMISCUITY.

Despite the fact that promiscuity is risky sexual behavior, Planned Parenthood has advised teens through its social media that: *"There's nothing bad or unhealthy about having a big number of sexual partners."*

#8

THEY FAIL TO REDUCE STDs.

The CDC reports America has an STD epidemic. Major STD rates are exponentially higher today than twenty years ago (Chlamydia, Gonorrhea, & Syphilis) even though taxpayers funded Planned Parenthood nearly \$800 million.

#7

THEY DON'T TRUST PARENTS.

Planned Parenthood has fought against every parental consent and notification bill, claiming *"...they put teens at risk for abuse at the hands of their parents."* Their latest annual report never mentions, 'mom', 'dad' or 'parent'.

#6

THEY FAIL TO REPORT RAPE.

In numerous states, Planned Parenthood has chosen to protect sexual predators instead of the victims as detailed in court cases. They were also caught in an undercover investigation willing to aid and abet sex traffickers.

#5

THEY DENY BASIC BIOLOGY.

In the late 1930s, their own brochure stated: *"Abortion kills life after it has begun."* But now, they falsely claim: *"There is no general consensus"* on when human life begins. Yet 95% of biologists agree: *life begins at fertilization.*

#4

THEY FAIL MINORITIES.

In NYC, home of Planned Parenthood, more black babies are aborted than born alive. This has been by historic design (via eugenics). Planned Parenthood claims to be an "anti-racist" organization yet is the #1 killer of Black lives.

#3

THEY ARE MORE POLITICAL THAN MEDICAL.

Cecile Richards declared, in the NY Times: *"We aim to be the largest kick butt political organization."* In 2024, Planned Parenthood boasted about spending \$69.5 million to elect pro-abortion Democrats.

#2

THEY ARE CORRUPT.

Planned Parenthood is a \$2 billion dollar, self-policing business that has overbilled taxpayer-funded programs over \$100 million. They had to repay Texas and the federal government \$4.3 million for fraudulently filing Medicaid claims.

#1 THEY KILL HUMAN BEINGS

Former Planned Parenthood President, Faye Wattleton, admitted: *"I think we have deluded ourselves into believing that people don't know that abortion is killing. So any pretense that abortion is not killing is a signal of our ambivalence, a signal that we cannot say yes, it kills a fetus..."*
